

Cr Kay Fraser Mayor of Lake Macquarie

As a resident of Lake Macquarie for more than 40 years and popularly elected as Mayor of Lake Macquarie City in September 2016, Kay understands that our City offers an incredible lifestyle, with world-class infrastructure, engaged and connected communities, a strong and diversified local economy, and superb natural beauty.

Having had the privilege of representing the residents of East Ward for the past 12 years, Kay remains committed to making Lake Macquarie a great place to live, work and visit and she's delighted to be building on the successes of previous councils.

Kay is passionate about social justice and ensuring that everybody has access to necessary services, a cause close to her heart that she also pursued throughout her working life, prior to the Mayoral election. She believes that the people of Lake Macquarie City should have a quality of life that meets their needs, increased opportunities for education, employment and a lifestyle that promotes a strong connection to the community and the environment.
